Teacher

Music
Thistle Glen

Crystal fell in love with
Scottish Country Dancing
when she took classes in her

late twenties with Gail Cordy in Reno, Nevada. She received her preliminary certification in 2012, and her full certification in 2015. She teaches the Reno class and demonstration team, and attends workshops and balls all over the Western U.S. and Canada.

With a husband in the military, Crystal found dance opportunities all over the U.S. and Europe. Her dance background is rich in folk, modern, tap, ballet, and step dancing. Formations, timing, teamwork, and sociability are the driving force behind her teaching.

Crystal has degrees in Physical Education and Teaching English as a Second Language, and currently teaches ESL for the Washoe County School District. She also volunteers as a coach for the 'Girls on the Run' program, and teaches Scottish Country Dancing at her elementary school.
